**Re: Mobilitie, LLC, Application for Certificate of Local Authority, Docket No. 06-0602  
 Request to Withdraw Petition to Reopen Case and Petition for Protective Treatment**

Dear Sir or Madam:

On June 18, 2007, Mobilitie, LLC ("Mobilitie"), through its counsel, submitted a Petition to Reopen Case, as well as a Petition for Protective Treatment, both in association with Mobilitie's Application for Certificate of Local Authority ("Application") in the above referenced docket. Mobilitie now seeks to withdraw these Petitions.

In its Petitions, Mobilitie requested that the Commission grant confidential treatment over Exhibit D to its Application, as it contained confidential commercial information. The Commission has since withdrawn Exhibit D from its website, and has otherwise removed Exhibit D from public viewing. Mobilitie's request for confidential treatment is therefore moot, and accordingly, Mobilitie respectfully requests that the Commission withdraw its Petition to Reopen Case and its Petition for Protective Treatment.

If you have any questions, please call me at the above telephone number.

Very truly yours,

Davis Wright Tremaine LLP
